OF THE
1923
DIRECTOR

P R E F A C E

To the Members of the 1933 Michigan Law Class:

This being the time of our first reunion, our fifth year out of school, your committee felt that you would like to be current on the whereabouts of your classmates.

In this, our second class directory, we have endeavored to include every member. Some, however, have failed to answer our letters. We have secured what information we could about them elsewhere and in this record have marked them with an asterisk (*). This information may not be correct.

You will find herein, your classmates names, business addresses, marital and family status, bar association memberships, associates and public offices held. For your assistance and convenience there is also included a geographical index.

May we suggest that after you have browsed through this booklet that you put it to a practical use, i.e., use it in forwarding legal work to other cities.

And so, here is our second attempt. Again we hope that you will find it both enjoyable and useful.
